The open-air upper deck, featuring a fully stocked bar, accommodates up to 125 guests – who are protected from direct sunlight and light seasonal showers by a heavy-duty awning. However, arrangements for a lower-deck smoking area can be arranged for charter events by special request.

About our Tours and Cruises

The *Fort Myers Princess* is ready to sweep you away on a scenic adventure, where passengers can observe Florida wildlife in its natural habitat. Departing from Snug Harbor Marina for an afternoon Dolphin Tour, the *Princess* will cruise past the historic Shrimp Fleet of Fort Myers Beach before continuing on through Matanzas Pass, where guests are encouraged to sit back, relax and enjoy the clear tranquil waters of the Gulf of Mexico. As we cruise west toward Sanibel Island, we begin our search for dolphins, manatees, seabirds, and other marine life making their home in and around Southwest Florida. With a little luck, you may even catch a glimpse of a dolphin swimming and jumping in our wake. As we close in on Sanibel Island, you can photograph the historic Sanibel Lighthouse, which was built in 1883. For those who prefer an evening Sunset Party Cruise, the spectacular Southwest Florida Sunset rarely disappoints. Aboard the *Fort Myers Princess*, guests have a unique, front-row, unobstructed view of Mother Nature's brilliant, end-of-day show. With bright pink and orange rays dancing against the waves on the horizon, the *Princess*, at sunset, offers a perfect backdrop for your wedding, party or anniversary event.
